James,

Nice work on the draft POLREP 3.

Did a red-line. Basically 3 comments plus/minus in the redline:

1. Please make sure the format/comments are the same for each day's summary. I marked up the first one. Same with spacing, etc.
2. Let's summarize at the end. Did anything else happen between 11/27 and 12/13 that needs to be included? (i.e. activate ATSDR, etc.)
3. We should probably include some summary info for our data and state data.

Thanks

Adam
